

燉煌石室素描兩幅

TWO SKETCHES OF THE STONE CAVE IN TUNGHUANG.

1. The broken image of Lohsuan with a dragon's body; (It is a queer figure of dragon's body and horses feet, It may be the Lohsuan, Deva of fire in the Fire Island, who changed his body to a dragon by magic power. There is a picture of a king with a tablet in his hand on the right of the image. There is a chain of Coins beside

the king's feet and we do not know what is the meaning)

2. The sketch of a lion image

右：獅子像的素描  
上：龍身羅宣像斷片

(龍身馬足的怪形，當是火焰島之焰中仙「羅宣」幻作龍身之像，圖之右側有一帝王形的人，手執笏，脚下銅錢一串，不知何義)？
